SHS

"Student health is affordable and an indispensable service for students. There are many good health care providers and the lab services are incredible at that price."

DINING SERVICES

"I like the convenience of the Mobile app as well as the dining hall locations; there is a wide variety of food to choose from with several healthy options."

WHAT STUDENTS HAVE TO SAY

RECREATION

"I like the RAP pass and the access to free classes for students. It let me take some interesting classes that I wouldn't have taken if I had to pay for them."
